Hon. Herbert R. O'Connor
Governor of Maryland
Annapolis, Maryland

My dear Governor:

I thought it would be a matter of interest to you to know that the War Production Board has denied the State Comptroller's Office approval for the purchase of an adding machine which we were desirous of obtaining in connection with keeping accounts for the withholding tax due the federal government from the State employees.

I wonder what the federal government will do next to indicate its disregard of the sovereign rights of the States of the Union.

Very truly yours.

J. Millard Tawes, Comptroller
