 Gower, New York

We are coming, as our children receive
 industrial education they will be better
 prepared for the world's business. All
 can't be preachers, nor teachers, nor doc-
 tors, nor lawyers. We need mechanics
 of various kinds, carpenters, cabinet
 makers, wheelwrights, blacksmiths, coop-
 ers, painters, machinists, silversmiths,
 electricians and every other occupation
 that will place us on an equal footing
 with the other races of the world.

'Put thou thy trust in God,
 In duty's path go on;
 Fix on His Word thy steadfast eye
 So shall thy work be done.'

A Cold Wave.

Persons who like cold weather will be
 gratified with the change promised by
 the weather bureau, if it should mate-
 rialize. By tonight, we are told, the
 freezing point will be reached here. A
 cold wave has been moving toward us
 from the Northwest for several days.
 Snow has been falling there, and Chi-
 cago's streets are obstructed with it. In
 Manitoba the temperature has fallen to
 zero. The frigid wave is extending
 southeastward.

To Be Dedicated to Good Templary.

The handsome residence of Mr. Jacob
 L. Engelbrecht, south of Frederick, will
 be dedicated to "Good Templary" and to
 the memory of the owner's grandfather,
 the late Jacob Engelbrecht, on Wed-
 nesday, December 11, 1895, the anniver-
 sary of his grandfather's birth. Rev. C.
 J. Burdette, G. O. T.; Mr. C. Waring
 Tyson, D. B., and others, will officiate.

After The Game.

Messrs. J. Roger McSherry, Charles
 W. Ross and Frank Eisenhauer
 have left Frederick for North Car-
 olina, where they will spend a few days
 hunting. The sportsmen took with them
 a pack of fine dogs and will doubtless
 create havoc among the feathery tribe of
 that state.

Forty Three Years Old.

Mr. J. N. Zimmerman, of this city,

Miss Long is Better.

The condition of Miss Lillie Long,
 who was so brutally assaulted on Satur-
 day afternoon last, is much improved.
 Miss Long maintains that the cuts on
 her neck were made with a butcher
 knife, with a dark brown handle, but a
 diligent search fails to reveal any trace
 of the knife. It has since developed that
 before leaving her home for Frederick
 Mrs. Warner used a butcher knife to cut
 some heads of cabbage in the garden.
 The knife said to have been used by Mrs.
 Warner has also disappeared, and as the
 negro first visited her house, the theory
 is advanced that he procured the knife
 there before going to the home of Mr.
 Gelsbart.

The negro was at Mr. Warner's house
 fully fifteen minutes before he went to
 where Mr. Warner was and asked him
 for something to eat. Mr. Warner told
 him that nobody was at his house and
 then the negro climbed the fence and
 went across the corn field toward the
 Gelsbart house, but Mr. Warner did not
 send him there.

Feather Renovating Establishment.

Mr. W. B. Steiner has opened in his
 warehouse on North Market street a
 feather renovating establishment, equip-
 ped with the latest improved methods
 for the thorough cleaning of feathers
 from beds, pillows and bolsters. He has
 arranged to call for and deliver all feath-
 ers. He does excellent work at low
 rates.

A Child Enjoys

The pleasant flavor, gentle action and
 soothing effects of Syrup of Figs, when
 in need of a laxative, and if the father or
 mother be costive or bilious, the most
 gratifying results follow its use; so that
 it is the best family remedy known, and
 every family should have a bottle on
 hand.
