

\$20 REWARD.

RAN AWAY from the subscriber's farm in Prince George's county, adjoining the White Marsh, on the 25th day of April, a negro man named

BILL;

About 28 or 30 years of age, five feet eight or nine inches high, yellowish complexion, stout built in proportion to his height, has a scar on the outside of one of his thighs, he has taken with him several suits of clothes, and no doubt will make for Baltimore, or Doctor Richard G.
